HP Compaq nx7300 Business Notebook PC

HP recommends Windows Vista™ Business.

The HP Compaq nx7300 offers an affordable, thin and light mobile office by providing the optimal combination of features that maximize productivity without straining your budget.

Productivity on the move
The tools you need to accomplish more in less time. Starting at 5.6 lbs (2.54 kg) and 1.2" (30 mm) thin, the HP Compaq nx7300 provides best-in-class mobility in a 15.4-inch diagonal widescreen thin and light notebook. Choice of either a 15.4-inch TFT WXGA display with or without BrightView technology. New Intel® Core™2 Duo processors allow simultaneous use of multiple applications so you accomplish more in less time. The optional double-layer DVD+/-RW with LightScribe technology gives you twice the storage of single layer disc and lets you burn a custom label directly to your disc.

Power and connectivity on the go
The connectivity and power that keeps you going. A variety of wired and wireless communication solutions help you stay connected. With HP's selection of extended-life batteries, you'll get power that goes with you.

HP Professional Innovations
A suite of value-added security, ease-of-use, and reliability features that helps differentiate HP Business Notebooks from all the rest. Security: Solutions to help protect your notebook, data, and network connections, HP ProtectTools is a portfolio of security features designed to address critical aspects of IT security. Ease-of-use: Intuitive and power-saving features that boost productivity, HP Fast Charge Technology charges the primary battery up to 90% in 90 minutes then charges the secondary battery to keep you on the go, HP Smart AC Adapter can be shared across HP's 2006 Business Notebooks and includes surge Protection, Widescreen displays allow more data on the screen at the same time. Reliability: Built to perform and proven to last Easy-to-access micro-tower chassis design, HP Mobile Data Protection System helps protect data during normal use from shock and vibration.

Optimal combination of features such as Intel® Core™2 Duo processor and 15.4-inch widescreen display
